Story Time!

Children in K - 2 enjoy the dramatic reading of a story that sets the mood for each class.

Our explorations are guaranteed to promote creativity and stimulate imagination.

Transformations

What else can scissors be?

*Did you ever lie on your back and
imagine that you can
see things in the clouds?
Open-ended art projects inspired by
story-telling challenge creativity.*

*The Anti-Coloring Book® series
has sold over a million copies.
The author will read inspiring
storybooks and coordinate them
with exciting Anti-Coloring Book®
activities to inspire creativity.*
